

8/20/2009

Mr. John Dwyer
Syracuse Glass
One General Motors Drive
Syracuse, N.Y. 13206

Dear Mr. Dwyer:

This letter confirms that Syracuse Glass, as of July 30, 2009, has successfully passed certification requirements and maintains their status as a SunGuard Select™ Fabricator for the SunGuard coated glass products listed below:

Product Category	SunGuard Products Covered by Certification
SuperNeutral	SuperNeutral 54 & 54 HT, SuperNeutral 68 & 68 HT
High Performance	Neutral 40, Neutral 50, Neutral 61 & 61 HT, Light Blue 63, AG 50, AG 43, Royal Blue 40
Solar	Silver 20, Silver 32

Guardian's certification process and program requirements have been designed to assess our customer's ability to consistently fabricate quality coated products. This certification is valid for 18 months. This letter may be submitted as required by architectural specifications as evidence of fabricator certification for processing SunGuard products in accordance with Guardian's standards.

Congratulations on being named a SunGuard Select Fabricator! We look forward to continued success with Syracuse Glass in the high performance commercial glass market.

Best Regards,

A handwritten signature in black ink that reads "Mitch Edwards".
